FIG. 3C is a diagram of a data structure 332. The structure 332 is a large rectangle containing three main sections. The first section is labeled 'USERNAME' and contains a rectangular input field 334. The second section is labeled 'PASSWORD' and contains a rectangular input field. The third section is labeled 'START INSURANCE (MINUTE/HOUR/DAY/MONTH/YEAR)' and contains a rectangular input field 336. Below the 'START INSURANCE' section is another section labeled 'END INSURANCE' which contains a rectangular input field 338. Arrows point from the labels 334, 336, and 338 to their respective input fields. An arrow points from the label 332 to the top of the data structure.
